Single Docking Station

UBC1001

In today's market place, with increased competition and traditional means of advertising failing to capture consumers attention; engage, inform, and educate at the point of purchase. Communicate the features and benefits of your products at the place where 60% of unplanned purchases are made... at retail.

Make sure you never run out of power. Recharge your rechargeable battery with this practical yet beautiful accessory. The docking station is suited with LED lights that clearly indicate when the battery is fully recharged.
